We also advise you to be on the lookout for deceptive e-mails, texts, and phone calls. Scammers like to take advantage of fears and trending topics, such as COVID-19. Do not respond or comply with any suspicious communication. Do not share sensitive information and always verify the authenticity of any solicitation.

All of us as responsible Americans working together will defeat the current health crisis facing us. With time this too shall pass, and we look forward to returning to regular lobby hours on a date to be announced.
