Sunrise Bank Dakota continues to monitor the COVID-19 situation very closely. The health and well-being of our customers, our employees, and the community we serve is of utmost importance to us.

We encourage you to continue with recommended preventative measures to include social distancing. Hand sanitizer is available in our lobby. Pens are also available for you to keep after use.

Our alternative banking options continue to be available:

- Drive-up service hours are 8:00AM - 4:30PM (M-F).
- Online and mobile banking functions are available for you, including Mobile Deposit. Please visit our website at www.mysunrisebank.com for additional information.
- Our on-site ATM is available around the clock for your convenience and our "night" drop box is available 24 hours and will be checked multiple times throughout the day.

We also advise you to be on the lookout for deceptive e-mails, texts, and phone calls. Scammers like to take advantage of fears and trending topics, such as COVID-19. Do not respond or comply with any suspicious communication. Do not share sensitive information and always verify the authenticity of any solicitation.
